

Community Unit School District 200

130 West Park Ave. • Wheaton, IL 60187 • 630/682-2000

Elementary Registration Information 2007-08 School Year

This packet contains all the information you'll need to register your child(ren) for the 2007-08 school year. Registration is conducted by mail in all District 200 elementary schools to give schools time to appropriately plan for the opening of school in August. Please take a moment to read this registration overview and then complete the forms and return them to your child's school by the date requested on the enclosed information sheet. (Registration materials received after July 2 will be charged a \$10 late fee.)

Please make every effort to return the registration materials by your school's requested date. If, for some reason, you cannot meet that deadline, you may drop the materials off at the school through June 20. Although the elementary schools are closed during the summer, materials should still be mailed to the school as mail is delivered there throughout the summer. You may also drop off the materials at the School Service Center, 130 W. Park Ave., Wheaton, between June 21 and July 31, although keep in mind a late fee will be assessed after July 2. Elementary principals and office staff will return to their buildings on Wednesday, August 1.

Walk-in Registration: Walk-in registration for new students and late registrations will be held in all schools from 9 a.m.-Noon and from 3 p.m.-7 p.m. on Thursday, August 2.

First Day of School: Students in grades one through five will attend school from 9:15 a.m. to 12:15 p.m. on Tuesday, August 21. Kindergarten students will attend on a regular schedule beginning Wednesday, August 22.

The District requires the following completed forms at the time of registration. Each school may also have forms that need to be completed. Individual school information is also included in this packet.

Student Verification/Profile Form

Information on returning students is contained on this form. Carefully review the form to be sure all information is accurate and current. It is especially important that you include three (3) emergency contacts, provide phone numbers, and indicate the order in which these contacts should be called. These are the same contacts you will be asked to name on the Illness and Accident form. **Please note we are also asking for email addresses to help us communicate with you more quickly and provide options regarding the ways in which you receive information from the school and District. Please provide your email address on this form.**

Registration Form/Elementary 2007-08

This form includes a statement of fees. You may pay by check or charge using VISA or MasterCard. All checks should be made payable to CUSD 200 and contain the student's ID# which is located on the Student Verification Form. **An optional donation to the New 200 Foundation may be made by separate check.**

(More information on reverse side)

Health Services—Illness and Accident Form

This form must be completed for use by the nursing staff in case your child becomes ill while at school. The emergency names and numbers on this form should be the same as those you list on the Student Verification/Profile Form. Please verify that the numbers you provide are current.

Dental and Physical Examinations/Immunizations Forms

Students entering preschool, kindergarten and fifth grades and those enrolling from another state must have a physical examination and required immunizations within the year prior to enrollment. A student transferring from another school in Illinois only needs to provide his/her current school physical. Students who do not have their physical/immunization forms on file on the first day of school will be excluded from physical education classes. Those who have not completed the physical requirement by September 17 will be excluded from school. Students in kindergarten and second grade are required to have a dental exam by May 15th.

Media Release and Internet Waiver Form

Parental permission is requested on this form for the following items:

1. Internet consent and waiver
2. Publication of student work and photographs in publications and on web sites
3. Release of student directory information

More specific information is included on the form.

Note: The registration packet no longer includes a form for a student's hot lunch/milk account. Before the first full day of school in August, you will receive information about making a deposit in your child's lunch account through the District's food service provider. You may, however, deposit money in your child's account online through myLunchMoney.com at any time. We anticipate the cost of a hot lunch, which includes milk, will be about \$2.20 a day. Milk alone is an additional 30 cents a day.
