Daring to Reach for Enrichment, Achievement and Merit

## SMARTBOARD COMING SOON TO SECOND FLOOR

Soon the second level at Whittier will be filled with the joyful sounds of students learning interactively with the brand new SmartBoard that was donated by the same generous family who provided Whittier's first two boards. The Whittier Dream Foundation is proud to assist with this amazing addition to our school. This anonymous family has reminded everyone what the spirit of Thanksgiving is all about.

### **Dream Foundation Receives Grant from BP Fabric of America Fund** *Thanks to the efforts of the Bougadis Family*

BP supports groups across the U.S. that work to improve people's lives. The Fabric of America fund considers contributions to organizations recommended by employees such as Steve Bougadis. Along with their thanks for

making a difference in peoples lives, BP presented the WDF with a check for \$250.00. It is their hope that their support will help the foundation continue the work that has made an impression in our community.

The Dream Foundation is hopeful that other Whittier Families will contact their employers to inquire about grants and/or matching programs—contact Jenn Alpers if you have any questions.

**Thank You**

### **Trivia Night Huge Success**

Competition was fierce at this year's Trivia Night. In a sudden death tie breaker, team TNT barely eeked out a victory over last year's champions, Total Recall. The winning team included the following staff members and spouses: Joanne Hall, Kary Eichstaedt, Kim and Rick Kern, Jann and Glen Barnes, Corinne and Tom Sampalis.

The real winners are the students of Whittier School because the evening raised around \$4,000! These funds will continue to support the Whittier Dream Foundation's mission to provide each student with equal experiences and opportunities.

Special thanks to Mark Spontak for helping MC

the event, and our decorating committee: Beth & Erin Staunton, Sue, Sage, Hunter & Simon Hoffman, & Katie Schricker

Thanks to all who attended and made the evening so much fun. It's not too early to start planning your team for next fall - See you there!

**Think of giving not as a duty, but as a privilege.**
